

Our mission is “**Bringing Astronomy to the Public**”.

- The Fremont Peak Observatory Association (FPOA) conducts **astronomical outreach** in Fremont Peak State Park.
- We offer the public **free access to high quality astronomical equipment** and interpretative services in a convenient, dark sky, family-friendly environment.
- We offer serious amateur observers a **good dark sky site** and an observatory with high availability.
- We provide **custom programs to schools** in the Monterey Bay, Hollister, and San Francisco Bay area\*.
- We offer the California Department of Parks and Recreation our interpretive services, increased visitorship and management of Fremont Peak State Park’s observatory and controlled access observing area.
- FPOA values: **Family Friendly and non-commercial.**
